

Keith Dawber Memorial Bursary

About Keith Dawber:

Keith Dawber came to Guernsey in 1979 to join the Guernsey Schools' Music Service; the following year he was appointed Head of Strings and worked successfully with young musicians for 30 years. During this period he and his department instilled a love and appreciation of music among thousands of pupils and produced many fine string players. Through his tireless work on behalf of the Guernsey Symphony Orchestra he gave students one of their first opportunities to play alongside adults and visiting professional players, facilitating and encouraging them to continue their practical music-making after they had left school.

Sadly Keith died in 2010, shortly before he was due to retire, and it is in his memory that this bursary has been established - to help young people from within the Bailiwick to continue with their musical studies.

About the Bursary:

- 1) Applications are invited from students who already attend or have been offered a confirmed place at a college, university or other accredited specialist musical establishment undertaking "classical" music related studies, either instrumental or vocal.
- 2) The bursary, which is intended to assist a student with the cost of study materials, books, tuition fees, etc., will be offered with effect from September /October 2012 and will be awarded in three tranches of £500 to coincide with the start of each academic term.
- 3) Applicants should be residents of the Bailiwick of Guernsey.
- 4) Completed applications should be sent no later than **4th May 2012** to Jackie Yeates at Deutsche Bank International Limited, PO Box 424, Lefebvre Court, Lefebvre Street, St Peter Port, Guernsey, GY1 3WT. The envelope should be clearly marked "Keith Dawber Memorial Bursary".
- 5) Short-listed applicants will be notified by 25 May 2012 and invited to attend an interview before the Bursary Panel at Deutsche Bank's offices in Guernsey.
- 6) The successful applicant may be asked and should be prepared to participate in publicity in connection with the awarding of the bursary.

About Deutsche Bank:

Deutsche Bank is a leading global investment bank with a strong private clients franchise. A leader in Germany and Europe, the bank is continuously growing in North America, Asia and key emerging markets. With more than 100,000 employees in 73 countries, Deutsche Bank offers unparalleled financial services throughout the world. The bank competes to be the leading global provider of financial solutions for demanding clients creating exceptional value for its shareholders and people.

We believe cultivating an environment that fosters creativity and innovation is a vital stimulus to growth and adds value to both the arts and business. Creativity and innovation drive social and economic development and are key elements of our corporate culture. Music, theatre and the arts enhance intellectual flexibility and personal performance.

This bursary has been offered by Deutsche Bank as a result of the Bank's long standing association with the Guernsey Choral Workshop, of which Keith was a founding member.
